Ceteris Paribus

Subject Orientation: Micro-Economics

Brief Description

'Ceteris Paribus' is an interactive on-line simulation game that will help you learn micro-economics and develop management skills. The game requires you to apply economic concepts and business models in a decision-making setting to achieve the objectives of the firm. As a top-level management executive you would have to take up to 8 critical investment decisions.

4. Click 'play in multiplayer tournament' button

The screenshot shows the 'Ceteris Paribus' simulation interface. At the top, there is a navigation bar with the 'LEARNBIZ' logo and links for 'Home', 'My Account', and 'Log Out [Kirtana]'. Below the navigation bar, there is a green banner with the title 'Ceteris Paribus' and a supply and demand diagram. The diagram shows a downward-sloping 'Demand' curve and an upward-sloping 'Supply' curve intersecting at an equilibrium point. The area above the equilibrium is labeled 'Surplus' and the area below is labeled 'Shortage'. Below the banner, there is a 'New Game' section with three links: 'Manual', 'Demo Video', and 'Short Notes'. Below these links are three buttons: 'About', 'New Game', and 'Play in Multiplayer Tournament!'. The 'Play in Multiplayer Tournament!' button is circled in red. To the right of these buttons is a 'Select Difficulty Level' section with two options: 'Easy' (represented by 3 blocks) and 'Hard' (represented by 9 blocks).

5. Enter tournament passcode given by the instructor

The screenshot shows a web browser window with the URL `learnbizsimulations.com/btm/btm/tournament/index.php`. The page features the **LEARNBIZ** logo and navigation links for Home, My Account, and Log Out [Kirtana]. A green banner displays the title **Ceteris Paribus** and a supply and demand diagram.
